

09/03/2025 - Template Development

Day 4

- Design a **Book Details Template**.
- Generate **10 unique pages** using this template, ensuring each page has a **distinct book name and URL** (book names can be sourced from the internet).

Header Requirements:

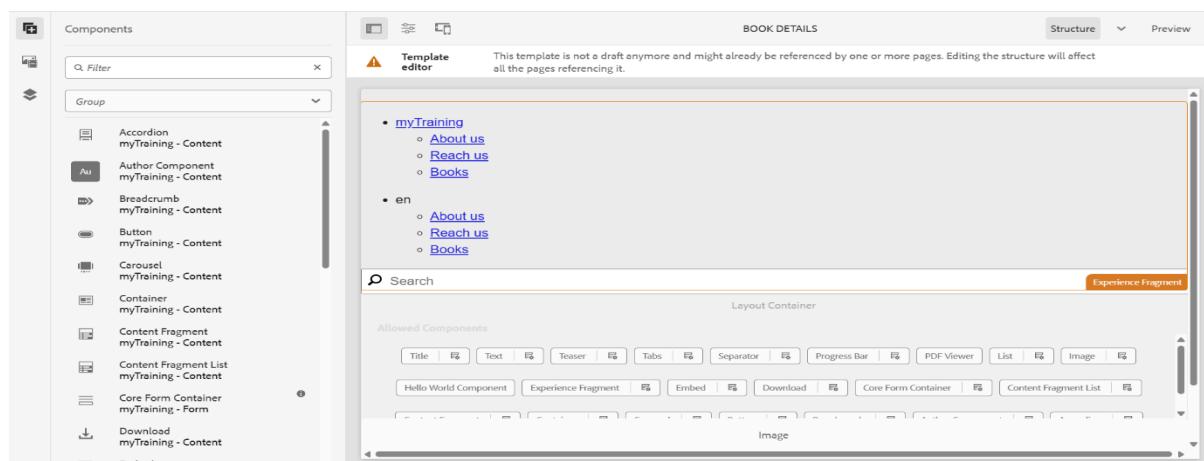

- Incorporate a **logo** and navigation links for:
 - **Books**
 - **About Me**
 - **Reach Me**
- The pages required for these sections should be created first and then utilized within the **navigation component** inside the **header XF**.
- Ensure **styling is applied from ui.frontend**.

Footer Requirements:

- Implement a **4x3 grid layout** with the following sections:
 - **Books Section:** Displays links to the 10 book pages created earlier.
 - **About Us Section**
 - **Reach Me Section**
 - **Social Media Links**
- Include a **copyright notice**, and apply **styling from ui.frontend**.
- The footer should be **fully responsive**.

Additional Component:

- Develop a **multifield component**.

----PUBLISH THE TEMPLATE AND ENABLE IT

The screenshot shows the Adobe Experience Manager interface for publishing page templates. At the top, there are standard toolbar icons: Edit (e), Properties (p), Disable, Publish, Copy (ctrl+c), Delete (backspace), and a status indicator showing 1 selected (escape) X. Below the toolbar, a navigation bar includes a dropdown menu and a search bar. The main content area displays four page templates under the category 'myTraining':

- Base Page Template**: PAGE, Published 5 years ago, Not published.
- Book details**: PAGE, Published 2 hours ago, now.
- Content Page**: PAGE, Published 5 years ago, Not published.
- Web Variation**: EXPERIENCE FRAGMENT, Not published.

A blue box highlights the 'Book details' template, which has a checked publication status icon above it. A success message at the bottom of the screen reads: "The item has been published".

----PAGE CREATION

The screenshot shows the Adobe Experience Manager interface for creating a new page. The top navigation bar includes the Adobe Experience Manager logo, a search bar, and a 'Create' button. The main content area displays a tree structure for page creation:

- Campaigns
- Outbound Marketing
- myTraining
- Books
- ABOUT US
- Reach us
- Books
- The Hobbit
- Harry Potter and the Sorcerer's...
- Dune
- Percy Jackson & The Olympia...
- The Chronicles of Narnia: The ...
- The Hunger Games
- A Song of Ice and Fire: A Game...
- The Maze Runner
- The Shadow of the Wind
- The Night Circus

The 'Books' node is currently selected, indicated by a grey background. The right side of the interface shows a list of available page types or fragments, each with a checkbox and a preview icon.

-----HEADER WITH *ABOUT US,REACH US,BOOKS*

The screenshot shows a web page with a header containing the logo 'myTraining' and a link to 'About us'. Below the header, there is a search bar and a globe icon. The main content area is titled 'Books' and lists several book titles:

- [THE HOBBIT](#)
- [HARRY POTTER](#)
- [DUNE](#)
- [PERCY](#)
- [The Chronicles of Narnia: The Lion, the Witch, and the Wardrobe](#)
- [The Hunger Games](#)

A status bar at the bottom indicates the URL: `localhost:4502/content/myTraining/us/en/about-us.html`.
